New password-protected log-in provides more security

For several years, members have been able to look up their individual PERSI account information online on our Web site. Now, the program is much easier to use, with fewer opening pages. It is also now more secure with a new password-protected log-in system.

The first time you use the new log-in system, you will need to click on "Register Now," which will take you to a Member Registration page.

The registration page will ask you for your Social Security Number, Date of Birth, and Last Name. A checkbox will ask you whether you'd like to receive occasional e-mail newsletters from PERSI. When you're done entering the information, click the Submit button.

The next page will ask you for your e-mail address, a

Member Registration

Welcome to the PERSI Account Information Site. You must register to use this site. Enter your Social Security Number, Date of Birth and Last Name to start the registration process. The next page will tell you that your password has been sent to you. It may take a few minutes to arrive. In the e-mail, you can click the button to take you to the page to enter your username and password. Copy the password out of the e-mail sent to you and enter it on the log-in page along with your e-mail address. When you're done entering the information, click the Submit button.

In the future, you won't have to register again; all you'll have to enter is your username and password.

Three long-term PERSI employees retire

As the Baby Boomers are reaching retirement age, PERSI has experienced a surge of retirements. And our own ranks are no exception. This summer, PERSI has lost three valuable, long-term employees to retirement. Anna Garlock and Judith Porges, two Member Service

Representatives, have both retired after some 27 years each with PERSI. Mary Christensen, a Benefits Analyst leaves us with 20 years of PERSI service. The knowledge and experience of these three will be greatly missed, but we wish them the best of luck in retirement!
